

BUILDER Announces 2011 America's Best Builders

BUILDER, the leading media brand for the home building industry, unveils the winners of its 2011 America's Best Builder program today.

Washington, DC (PRWEB) December 15, 2010

BUILDER, the leading media brand for the home building industry, unveils the winners of its 2011 America's Best Builder program today. 2011 recipients include:

- Cataldo Custom Builders of East Falmouth, Massachusetts in the 1-25 closings category;
- Elite Homes of Louisville, Kentucky in the 26-100 closings category;
- Grand Homes of Dallas, Texas in the 350+ closings category.

"For nearly two decades, the America's Best Builder program has honored excellence in finance/operations, design/construction, customer service/quality, community/industry service and marketing," said Boyce Thompson, editorial director of BUILDER. "This year's winners exemplify quality, innovation and fortitude across these disciplines in an extremely challenging business economy. There are many lessons to be learned from the practices they've perfected."

America's Best Builders are selected from an open call of entries and reviewed by a panel of industry experts. Honorees will be recognized January 13, 2011 at the Hearthstone BUILDER Humanitarian Awards event at the International Builders' Show in Orlando, Florida. They will also be profiled in the March 2011 issue of BUILDER magazine. To learn more about America's Best Builders, or to view profiles of previous winners, visit <http://www.builderonline.com>. For more information about the competition or the entry process, contact Denise Dersin at 202.736.3341.

About Hanley Wood, LLC

Hanley Wood is a leading business-to-business media company focused on the residential and commercial construction and design industries. Its diverse portfolio includes magazines, Web sites, e-newsletters, exhibitions and conferences, custom marketing and data services.

Hanley Wood is comprised of four operating platforms: Business Media, which publishes more than 30 magazines, featuring Builder and Architect magazine, along with related Web sites, e-newsletters, and conferences; Exhibitions, which produces marquee events such as World of Concrete, bringing residential and commercial construction professionals face-to-face with manufacturers, suppliers, distributors, and service providers; Market Intelligence, which collects and aggregates proprietary data sets that capture hundreds of pieces of profile and material information about housing developments in more than 75 housing markets; and Marketing, which plans, creates, and executes strategic and integrated marketing solutions for its clients. <http://www.hanleywood.com>.
